BUENA VISTA RANCH (FULL-DAY)... *All you want!*

Buena Vista Lodge is located on the slopes of Rincón de la Vieja volcano. This wonderful 1600-hectare "Hacienda" offers an array of natural attractions: 60% of the property is located amid a primary forest, offering an amazing view of the Guanacaste savannas and not to forget, surrounded by steam baths and thermal waters. Your first experience is fitting your canopy gear. The Canopy Tour is an unparalleled experience that starts with an energizing hike through primary forest to the site of the first platform, located high in the trees. Enjoy the spectacular panorama this paradise offers, as you've never experienced any other view before, soaring like a monkey from tree to tree. By now, you are in a vivid state of anticipation and readiness. Ready up for the slide platform to platform until touching ground base again." And that is exactly what happens! Your trilling adventure in the bush will definitely give you something to talk about as you sample a wonderful lunch. Board a tractor tram or horseback and head to the open-air hot springs in the forest. What's good for the body is good for the soul and there is not a better spot for both body and soul than right here a place where water, rain forest, volcanoes and pure air meet in an almost mystical union. Here, you will relax unconditionally as you enjoy pleasurable and rejuvenating treatments with volcanic mud and sulfurous waters. At the end, you will forget entirely the hustle and bustle of life back home!
